A. If, through inadvertence, the minute order or the signed decree fails to state the order actually made by the court, and such inadvertence is brought to the attention of the court by declaration, the court may make a nunc pro tunc order correcting the mistake, which will relate back to the date of the original order.

The Joinder in Pleading must identify the party endorsing the Joined Pleading, the exact title of the Joined Pleading, and the filing date of the Joined Pleading if applicable.

D. In the final conservatorship account, an allegation must be made as to whether or not the conservatee or predeceased spouse, if any, were Medi-Cal recipients and if so, appropriate notice must be given per Probate Code section 215, unless distribution is to a personal representative of a deceased conservatee.

E. In all cases, notice must be given to all persons entitled to receive property.

F. All conservatorship accounts must disclose the existence of a trust where the conservatee is a vested beneficiary, the current fair market value of the conservatee's interest, whether the conservator is a trustee, whether counsel for the petitioner is also attorney for the trust and/or trustee, and whether fees approved in the account are to be paid from the trust.

G. Where a guardian accounts for assets of more than one minor, the accounting for each minor must be set forth separately within one report.

Counsel appointed by the court must prepare and file a written report to the court at least five days prior to the hearing. Said report must:

B. Document the services performed by counsel.

C. Include a fee request in the prayer.

D. Include a recommendation regarding the ability or inability of the parents to pay the fee, in order to enable the court to make a finding regarding such ability or inability, and to order payment by the parent(s) or by the County of San Diego.

F. State that Counsel has met the qualifications and continuing education requirements pursuant to California Rules of Court, rule 7.1101.

1. An exception may be made for the reasonable expenses of fiduciaries for travel on estate business.

2. For good cause shown, the court may allow office expenses such as photocopying, express mail, postage, or long distance phone expenses, if the court considers such expenses necessary and reasonable in view of the amount of the statutory fee and work required in the administration of the estate.

B. Travel and office expenses appearing in any account must be explained in the report.

(Adopted 1/1/1990; Rev. & Renum. 7/1/2001; Rev. 7/1/2002; Rev. 1/1/2005; Renum. 1/1/2006; Rev. 1/1/2009; Rev. 1/1/2011)

B. Fees for court appointed counsel should be requested in the hearing as part of counsel's report.

C. Requests for compensation must be set forth in a declaration that is separate from the Petition or Account.

1. Conservators seeking compensation must submit a completed "Fee Request Declaration" (form SDSCPR-96) for all requests for compensation in excess of \$750.00.

2. Institutional fiduciaries seeking approval of fees premised upon fee schedules must submit a declaration that sets forth the published fee schedule for the period involved; the compensation paid to the fiduciary during the period; and the dates of such payment(s).

3. In guardianships and conservatorships in which the Public Guardian or County Counsel seek compensation, a declaration must be filed that sets forth information regarding the factors listed in Probate Code Section 2942 together with the information required in Rule 4.16.2(C)(4) of these rules, except that the hours expended and an hourly rate of service need not be set forth.

4. In all other fee requests, the declaration must:

a. Specify the specific dates during which the services were performed;

b. Set forth categories of services rendered, together with the amount of hours expended for each such category and the hourly rate sought for each such category;

c. Set forth information that will assist the court in determining whether the hours incurred and the rate sought are just and reasonable, including a discussion of the nature and difficulty of the tasks performed; the results achieved; the benefit to the trust, ward or conservatee; the background, skill and experience of the person rendering the service; an explanation of why the work required more than ordinary skill or judgment; and the standard rate in the community for such tasks.

5. If a trustee wishes the court to consider the factors set forth in California Rule of Court 7.776 in assessing the fee request, his or her declaration should include allegations regarding such factors.

6. If a conservator or guardian wishes the court to consider the factors set forth in California Rule of Court 7.756 in assessing the fee request, his or her declaration should include allegations regarding such factors.

7. The court will not consider fee requests for work performed during a prior accounting period that were not included in the prior account. Fiduciaries and counsel wishing to delay their request for fees to a subsequent accounting period must request and obtain the consent of the court and include such authority in the prior order approving the account.

8. Fees may be sought for work related to the report and accounting for the current period.

9. In trust accountings, an allegation must be made as to the total amount of attorneys' fees paid during the applicable accounting period.

(Adopted 1/1/2011; Rev. 1/1/2013)

Rule 4.16.3

Periodic Payments to Trustees

On petition, the court may authorize periodic payments on account to the trustee. The petition must describe the services to be rendered on a periodic basis, the value of the services to be performed, the method of calculating the value, and the reason why authority to make payments is requested. If the court authorizes such payments, the trustee may receive such payments only if the services described in the petition are actually rendered. The payments are subject to review by the court upon the next succeeding account to determine that the services were actually rendered and that the amount paid on account was not unreasonable. If the court finds that the amount paid on account was either excessive or inadequate in view of the services actually rendered, the court may make such additional orders as appropriate.

CONSERVATORSHIPS**

Rule 4.18.1

Conservatorship Orientation Program

All conservators, excluding limited conservators of the person, who are not Private Professional Conservators as defined by Probate Code section 2340, must complete an education class if ordered at the time of their appointment as conservator. Classes must be completed within six months of appointment as a conservator, and a certificate evidencing completion must be filed with the court. Classes must be designed to explain the duties and responsibilities of Conservator of the Person and/or Estate and include information on healthcare, safety, living arrangements, management of assets, accountings and other legal obligations. A list of providers is available in the Probate Business Office. Failure to complete this requirement may be grounds for removal as ordered by the court. In addition to removal, failure to comply with these requirements may result in the imposition of sanctions.

(Adopted 1/1/2006; Rev. 1/1/2011)

Rule 4.18.2

Temporary Conservatorships

A. The court will not consider the appointment of a temporary conservator ex parte and will set the petition for hearing with a five day notice requirement unless proper showing is made as follows:

1. Good cause and an immediate necessity is affirmatively shown in a declaration containing competent evidence based on personal knowledge;

2. The proposed conservatee is present or if the proposed conservatee is unable to attend;

a. the proposed conservatee is hospitalized, has notice of the ex parte hearing and its purpose, and cannot attend for medical reasons that must be supported by a physician's declaration;

b. evidence is presented that the proposed conservatee has notice of the ex parte hearing and its purpose and cannot appear; or,

c. in appropriate circumstances where capacity is not an issue, the proposed conservatee has consented and waived notice.

3. There are no relatives in equal or closer relationship than the petitioner, or such relatives nominated or consented to petitioner's appointment. This requirement may be waived by the court upon a showing of good cause.

4. Petitioner must state in the Ex Parte Application whether there are known objectors.

a. If there are known objections, absent good cause, the matter will be set for a noticed hearing; or

b. If the petitioner desires to proceed without notice to a known objector, the petitioner must demonstrate by competent evidence the need to waive notice based on good cause.

5. Unless good cause is shown, the report of a court appointed attorney is on file.

6. Absent good cause, 24-hour notice has been given to the proposed conservatee's spouse or domestic partner, and all relatives within the second degree.

7. In matters where the application is made primarily to make health care decisions a declaration is on file by petitioner and court appointed counsel setting forth reasons why temporary conservatorship is more appropriate than proceeding under Probate Code section 3200 et seq.

B. Upon request, a petition for temporary conservatorship may be "short set" by the probate business office on the next available moving calendar. The petition will be set at a shortened date and time to allow five days' notice to parties entitled.

C. No initial appointment of a temporary conservator may exceed a period of 30 days, but such appointment may be extended by the court to the date of the hearing on the permanent conservatorship. If a continuance of the hearing on the general conservatorship petition is necessary, counsel may appear at the hearing and request the extension of the temporary conservatorship. Alternatively a request to extend may be made ex parte, if the request is presented before the expiration of the initial appointment and there are no objections.

D. Good cause must be shown for special powers to be granted without a hearing. When special powers are sought, they must be specifically requested and supported by factual allegations.

E. Good cause is defined as those circumstances where it is essential to protect the proposed conservatee, or the proposed conservatee's estate, from immediate and substantial harm.

F. Whenever an ex parte temporary conservatorship is sought and a waiver of notice is requested, or presence of the proposed temporary conservatee is not excused by statute, it must be accompanied by a proposed order which includes factual findings reflecting the substantial harm posed to the proposed conservatee, or the proposed conservatee's estate.

G. The court must set a review hearing within six court days whenever an ex parte temporary conservatorship is granted. The court may reconsider the propriety of the temporary conservatorship, or other matters as appropriate, at the review hearing.

H. A petition for appointment of a temporary Conservatorship of the person or estate or both must be made in a separate pleading. It may not be included in, and may not be filed prior to the filing of, the petition for appointment of a permanent conservator.

I. All petitions for temporary conservatorship must be submitted with an extra copy of the petition and all related documents for the Court Investigator.

(Adopted 1/1/1990; Rev. 7/1/1995; Rev. 1/1/2000; Rev. & Renum. 7/1/2001; Rev. 7/1/2002; Renum. 1/1/2006; Rev. 1/1/2007; Rev. 1/1/2008; Rev. 1/1/2009; Rev. 1/1/2011)

Rule 4.18.3

Petition for Appointment of Conservator; Allegations and Notice Requirements; Supplemental Information

A. All petitions for appointment of conservator must state whether or not there is presently a conservator appointed under the Lanterman-Petris Short Act ("LPS") and, if so, the number of the Mental Health action, the name of the conservator, when the conservatorship expires, and that court's findings regarding the proposed conservatee's ability to complete the affidavit of voter registration.

B. If an LPS conservatorship exists, notice must be given to:

The LPS conservator;

Counsel representing the LPS conservatee; and

All persons otherwise required by Probate Code section 1460 et seq.

C. When the conservatee has a spouse, the petition must allege whether any property is community property. If community, the petition should state what portion, if any, is to be included in the conservatorship. (Prob. Code, § 3051.)

D. Spouses, registered domestic partners, children, grandchildren, parents, grandparents and siblings are relatives within the second degree. The petition must allege all relatives within the second degree and must list their names, current addresses and telephone numbers, relationship to the proposed conservatee, and whether they are minors or adults (e.g., "John Smith, adult grandchild," or "John Smith, grandchild age 13").

E. Unless the petitioner is a bank, any petition for appointment must be accompanied by the forms required by the California Rules of Court, rule 7.1050, Investigator Referral and, the Duties and Liabilities form. The petition will be rejected for filing if required forms are not submitted with the petition. A copy of such forms must also be filed for the Court Investigator who must review the allegations in the supplemental information. A temporary appointment will not be made unless the petition for permanent conservatorship which is to be filed is accompanied by such supplemental information.

F. Any petition for appointment of conservator must disclose whether the proposed conservator is a private professional fiduciary (PPF), their current licensing status, the expiration date of their current registration and their state license number. If the proposed conservator is not PPF and is not related to the proposed conservatee, the proposed conservator must allege facts in a declaration under penalty of perjury to aid the court in determining whether he or she is a "professional fiduciary," as defined in Business and Professions Code § 6501 (f).

G. The Petition for Conservatorship must state, with specificity, evidence to support a finding of lack of capacity to make decisions or do other acts as required by Probate Code section 811. The petition should set forth evidence attesting to a deficit in at least one of the mental functions set forth in Probate Code section 811. This evidence may, however, be set forth in a separate declaration attached to the petition.

H. When the proposed conservatee is, or was, the subject of a guardianship, the "Petition for Appointment

of a Conservator” must include the case number of the prior guardianship, the name of the prior guardian(s), and the name(s) of the attorneys for the prior guardian(s) and ward, if any.

I. When the petitioner, or the proposed conservator, also serves as the trustee of a trust in which the conservatee has a beneficial interest, the existence and name of the trust, the date the trust was established, whether the trust is under court supervision, as well as the petitioner or proposed conservatee’s status and interest therein must be disclosed in the petition.

J. The Petition for Conservatorship must state, with specificity, evidence to support a finding that petitioner has standing pursuant to Probate Code section 1820. The court generally considers an “interested person” and/or “friend” to include the proposed conservatee’s physician, accountant, stockbroker, neighbor, or other such acquaintance. (Prob. Code, § 1820, subd. (a)(5).) Where petitioner’s relationship to the proposed conservatee may not confer standing sufficient to meet this criteria, notice of the proceedings shall be given to the Public Guardian.

K. Whenever the petitioner is not a family member a separate verified declaration containing the following information must be submitted:

1. The due diligence efforts of the petitioner to locate family members, friends and neighbors, and to ascertain the proposed conservatee’s preferences in appointing a conservator, or explain why it was not feasible to do so.

2. The efforts of the petitioner to discuss with family members and friends the proposed conservatee’s preferences in appointing a conservator.

3. A description of the petitioner’s prior relationship, and contacts with, the proposed conservatee. If the petitioner was not nominated by a relative, or the proposed conservatee, the petitioner must set forth the specific circumstances under which he or she became involved with the proposed conservatee.

L. When filing a petition for the appointment of a conservator or successor-conservator, the petitioner must file an extra copy of the petition and all subsequent documents regarding the petition for use by the Court Investigator, including copies of Trusts and Powers of Attorney if those documents are ordered to be filed.

Rule 4.18.5

Capacity to Give Informed Consent for Medical Treatment

A. Any petition seeking a determination that the proposed Conservatee lacks capacity to give informed medical consent must contain facts to support the finding and must be accompanied by a declaration of a licensed physician, or, where appropriate, an accredited practitioner, as to Conservatee’s lack of capacity to consent to medical treatment.

B. Medical authority for a limited conservator is granted pursuant to Probate Code section 2351.5, not Probate Code section 2355, and the Petition for Limited Conservatorship may not ask for 2355 authority.

C. If the conservatorship petition is premised on the need to exercise medical authority, the petitioner must explain why a Probate Code Section 3200 Petition is not the least restrictive alternative.

(Adopted 1/1/1990; Rev. 1/1/1991; Rev. 7/1/1996; Rev. 1/1/2000; Renum. 7/1/2001; Rev. 7/1/2002; Renum. 1/1/2006; Rev. 1/1/2007; Rev. 1/1/2008)

Rule 4.18.6

Dementia Authority

A. A request for dementia authority per Probate Code section 2356.5 may be contained in the petition for appointment of conservator, a petition for exclusive medical authority, or in a petition asking only for dementia authority.

B. A petition for appointment of conservator which includes such request must be a petition for appointment of conservator of the person, must also include a request for exclusive medical authority and must have sufficient specific examples and allegations to be clear and convincing evidence of dementia as defined by the last edition of Diagnostic and Statistical Manual of Mental Disorders (DSM IV).

C. A Capacity Declaration – Conservatorship (GC-335) and Dementia Attachment (GC-335A) must be filed in support, and must address each required finding per Probate Code section 2356.5, subdivision (f)(3).

D. A request for dementia authority can be contained in a petition for exclusive medical authority if there is a conservator of the person in place.

E. A request for dementia authority only can be the subject of a petition where there is already a conservator of the person who has exclusive medical authority.

F. Counsel will be appointed to represent the conservatee or proposed conservatee in any case where dementia authority is requested and a written report from that attorney must be filed five days in advance of the hearing before the court acts on the dementia request. (See also Rule 4.18.12.)

G. A request for placement in a secured facility must indicate the specific facility and a showing it is the least restrictive placement available.

H. A request to authorize medications must show the specific medications currently prescribed, however no further relief will be required if changes to medication are required.

I. Dementia authority will not be granted where the petitioner is the proposed conservatee as there is a conflict in a person having sufficient capacity to file a petition and the court finding dementia per DSM IV.

J. The court finds that notice required on a petition for appointment of conservator is sufficient notice of a request for dementia authority and an additional "Order Prescribing Notice" need not be submitted.

K. The court will require 15 days notice, with a copy of the petition, to the conservatee, conservatee's spouse, registered domestic partner, and relatives within the second degree. (Adopted 1/1/2000; Rev. & Renum. 7/1/2001; Rev. 7/1/2002; Rev. 1/1/2005; Renum. 1/1/2006; Rev. 1/1/2009; Rev. 1/1/2011)

Rule 4.18.7

Independent Powers: Sale of Residence

A. The court will grant individual powers as authorized by Probate Code sections 2590 and 2591 only in response to specific allegations regarding their necessity.

B. Where power is granted to sell real property, the court requires that the sale be returned to the court for overbidding and confirmation. If independent power of sale of real property is requested, an allegation must be made whether the real property is conservatee's residence, as described in Probate Code section 2540.

C. The independent powers granted must be set forth in the order and in the letters of conservatorship.

D. If conservatee's present or former residence, including a mobile home or recreational vehicle, is to be sold, authority must first be obtained from the court. The petition must indicate the conservatee's support or opposition, including whether the conservatee opposed the sale in the past, the necessity for the sale, whether conservatee has the ability to reside therein and alternatives to the sale. In addition, the tax issues are to be discussed, particularly the impact of capital gains tax.

E. The court will consider the petition for authority to sell a residence on an ex parte basis, upon showing of immediate need, if there are no requests for special notice or if the persons requesting special notice waive notice and it is shown the conservatee does not object or does not have the capacity to object.

Disclosure by Conservators, Guardians, and Attorneys

Conservatees and Wards are generally not in a position to give their informed consent to representation by attorneys, or the appointment of a Conservator and/or Guardian. To avoid the appearance of a conflict of interest in duty, a Conservator, proposed Conservator, Guardian, proposed Guardian, and/or attorney who appears in matters involving a Conservatee, Ward, or their estate, must disclose all present and past relationships to the court at their earliest opportunity in the following circumstances:

A. Conservators. A person who is or has served in the past as a Conservator of the individual or estate which is the subject of the pending proceeding [Trust or Decedent's Estate] must disclose all present and past relationships.

B. Attorneys.

1. An attorney for a Conservatee or proposed Conservatee, or a Conservator or proposed Conservator, must disclose all present or past attorney-client relationships with any other person appearing in the matter.

2. An attorney for a Ward or proposed Ward, or a Guardian or proposed Guardian, must disclose all present or past attorney-client relationships with any other person appearing in the matter.

3. In complying with this rule an attorney shall not be required to violate an existing attorney-client privilege, but should consider that continued participation in the matter may constitute a violation of the Professional Rules of Conduct.

C. Guardians. A person who is or has served in the past as a Guardian of the individual or estate which is the subject of the pending proceeding (Conservatorship, Trust, or Decedent's Estate) must disclose all present and past relationships.

D. Court appointed Attorneys and guardian ad litem are appointed on a rotational basis. At times, the court appointed attorney or guardian ad litem may have represented another party in the proceeding. The court appointment is conditional on a conflict check by the proposed court appointed attorney or guardian ad litem. The appointment is effective 10 days after the proposed appointment pending communication with the court by contacting the court investigator support clerk in the business office that a conflict exists at which time new counsel will be appointed.

CHAPTER 22 CONTESTED MATTERS

Rule 4.22.1

Introduction

When objections are filed to a petition or other pleading seeking affirmative relief in the Probate Court, the matter becomes a "contested matter" as the term is used in these rules. These rules apply to all contested matters. They supplement applicable general statutes and other rules of court and are intended to further the policies of the Legislature and the San Diego Superior Court for the prompt completion of probate administration and efficient resolution of disputes.

(Adopted 1/1/1993; Rev. 7/1/1996; Renum. 7/1/2001; Rev. 7/1/2002; Rev. 7/1/2003; Renum. 1/1/2006; Rev. 1/1/2010; Rev. 1/1/2012)

Rule 4.22.2

Filing of Petitions and Contests and Setting Contested Matters for Hearing

All petitions, will contests and other pleadings seeking affirmative relief or adjudication by the Probate Court must be set as follows:

A. By Statute or Rule of Court.

B. Notice Not Prescribed. If the time for notice of hearing on a particular matter is not set forth in a statute or a rule of court, the time for notice of hearing must be 30 days. The provisions of CCP § 1013 apply.

C. Will Contests. A probate summons must be presented by the contestant and issued by the court at the

time of filing of a will contest. A will contest filed before admission of the will to probate constitutes an objection to the petition to admit the will, and the hearing on the petition to admit the will must be continued to a date no less than 30 days from the date of filing the will contest, in order to allow sufficient time to complete service in the will contest. If all service, including personal service of the summons as required by law, is not completed by the date of the continued hearing on the petition to admit the will, contestant must file a Certificate of Progress (on the form approved by the Superior Court) at least two court days prior to the hearing. If service is not completed prior to the continued hearing, the court at the hearing may further continue the matter or may impose sanctions, including the dismissal of the will contest, pursuant to the civil rules of San Diego Superior Court (Division II). When service has been completed, the will contest will be set for trial or short cause hearing pursuant to these rules. The petition to admit the will may be continued until the date of trial or short cause hearing on the will contest.
(Adopted 1/1/1993; Rev. 7/1/1995; Renum. 7/1/2001; Rev. 7/1/2002; Rev. 7/1/2003; Renum. 1/1/2006; Rev. 1/1/2010; Rev. 1/1/2013)

Rule 4.22.3

Service of Notice

All notice requirements on contested matters, including personal service when required, must be completed prior to the date of the hearing (whether the hearing date originally assigned to the matter by the clerk of the court or a later date if the matter has been continued). If a party on whom personal service is required has not been served timely, a Certificate of Progress (on the form approved by the Superior Court) must be filed at least two (2) court days prior to the hearing.
(Adopted 1/1/1993; Renum. 7/1/2001; Rev. 7/12/2002; Renum. 1/1/2006)

Rule 4.22.4

Filing of Objections

A person with standing may appear and object orally at the first hearing on any matter before the Probate Court. Thereafter objections, including grounds of opposition, to any petition or other pleading filed in Probate Court must be set forth in writing, filed and served either as required by statute or, in the absence of specific statutory requirements, by 4:30 pm at least three full court days before the next scheduled hearing date on the petition or pleading, e.g., for a court hearing on Wednesday, the objections must be filed by 4:30 p.m. the preceding Thursday. If written objections have not been filed in accordance with this rule, the court may decide the matter pursuant to California Rules of Court, Rule 7.801 as if no objection had been made. In any event, written objections may not thereafter be made without leave of court by the party orally objecting.
(Adopted 1/1/1993; Renum. 7/1/2001; Rev. & Renum. 1/1/2006; Rev. 1/1/2007; Rev. 1/1/2010; Rev. 1/1/2011; Rev. 1/1/2013)

Rule 4.22.5

Determination of Contested Matters

A. General. Contested matters will be determined as set forth herein. At the earliest appropriate hearing after a contested matter is at issue, the court may determine the type of hearing required, the length of the hearing and the manner of disposition.

B. Submission Without Evidentiary Hearing. If all parties agree in writing or on the record in open court, the court may decide the matter based on the pleadings, evidentiary materials filed prior to the conclusion of the hearing, and the arguments of counsel, or as otherwise agreed.

C. Short Cause Matter Hearing. If the court determines that the matter will require an evidentiary hearing of three hours or less (a “hearing”), the court may establish guidelines to govern discovery proceedings, if any are required, and may set the matter for hearing as a “short cause” matter. Trial briefs must be filed in the trial department and faxed (in accordance with Cal. Rules of Court, rule 2.306) or personally served on opposing counsel no later than 4:30 p.m. five court days prior to the date set for the short cause hearing unless the court orders otherwise.

Due to the “Short cause” nature of this hearing, the court will not entertain, receive or read responses to said trial briefs. The trial briefs submitted are deemed sufficient to allow the parties the opportunity to state their positions regarding the contested issue(s) to be addressed at the short cause hearing. The provisions of rule 4.22.11 and 4.22.9 do not apply to short cause hearings.

D. Trial. If the court determines that the matter will require an evidentiary hearing of more than three hours (a “trial”), the court may set the matter for a Case Management Conference (see Rule 4.22.7 below).

E. EADACPA Complaints. When filing a civil action citing the Elder Abuse and Dependent Adult Civil Protection Act (EADACPA) involving an individual whose estate or person is under conservatorship, refer to rule 2.4.9 for procedural guidelines.

F. Other Procedural Orders. If none of the foregoing procedures are appropriate for the matter before the court, the court may make any other procedural orders the court deems appropriate. (Adopted 1/1/1993; Rev. & Renum. 7/1/2001; Rev. 7/1/2002; Renum. 1/1/2006; Rev. 1/1/2007; Rev. 1/1/2010; Rev. 1/1/2011; Rev. 1/1/2013)

B. File with the court a "Case Management Statement" (CM-110) as Required by California Rules of Court, rule 3.725 - FAILURE TO COMPLY WITH THIS REQUIREMENT MAY RESULT IN SANCTIONS BEING IMPOSED PURSUANT TO CODE OF CIVIL PROCEDURE SECTION 575.2.

A. Determine whether or not all applicable procedures have been complied with and, if not, order appropriate remedial action, including the imposition of sanctions considered appropriate in the court's discretion;

B. Set the following dates based upon review of the "Case Management Statement" (CM-110) and the representations of counsel:

1. Trial date;
2. Trial readiness conference date;
3. Discovery cut-off date;
4. Law and motion cut-off date;
5. Dates for the exchange of experts;
6. Settlement conference date, if requested (see Rule 4.22.10).

C. Make appropriate assignments and orders upon approval of a written agreement to refer the dispute to a temporary judge or to arbitration (Prob. Code, §§ 9620-9621) or to a Special Master or Referee (Prob. Code, § 1000; Code Civ. Proc., §§ 638-645.1).

D. Dispense with any of the procedures provided for herein for good cause, which includes agreement of the parties.

Rule 4.22.8

Trial Readiness Conference Report/Advance Trial Review Order

A. Unless dispensed with by the court at the Case Management Conference, no later than five days prior to the trial readiness conference, counsel must meet and confer in person to prepare in good faith a Trial Readiness Conference Report/Advance Trial Review Order. The Trial Readiness Conference Report/Advance Trial Review Order shall be in the format set forth on CIV-252 which can be viewed under the Civil Forms Section of the San Diego Superior Court's website, www.sdcourt.ca.gov.

B. Matters deemed too lengthy to be heard by one of the Probate Departments shall be sent to the master civil assignments department or to one of the civil departments as appropriate. Counsel shall file the Trial Readiness Conference Report/Advance Trial Review Order at least two days prior to the Trial Readiness Conference. Failure to complete the Trial Readiness Conference Report/Advance Trial Review Orders may cause the Court to vacate the trial date and set another Trial Readiness Conference.

Rule 4.22.9

Trial Readiness Conference; Sanctions

A. Counsel completely familiar with the case and possessing authority to enter into stipulations must be present at the scheduled hearing; however, clients need not appear unless specifically ordered by the court. Orders made will be binding on trial counsel and will not be subject to reconsideration due to counsel's unfamiliarity with the case at the time of the trial readiness conference.

B. If the court determines that a party, or counsel, has failed to reasonably comply with these rules,

including the diligent preparation of a Trial Readiness Conference Report/Advance Trial Review Order, the court may impose appropriate sanctions against that party or counsel including a summary determination of any contested issues in accordance with the other party's papers filed in compliance with these rules, the levy of sanctions pursuant to Code of Civil Procedure section 575.2, the issuance of citations or bench warrants, or any other appropriate action.

Rule 4.22.13

Mediation Statements and Documents not Admissible Evidence

All responsive pleadings and all other documents filed with the court or with an ADR neutral concerning mediation under these rules, and all matters disclosed verbally concerning any such mediation, are not admissible evidence in any later contested proceeding between the parties solely by reason of their disclosure under these rules. Evidence Code section 1119 governs statements and documents disclosed in mediation.

This rule also applies to proceedings conducted before two-attorney settlement panels in North County.

(Adopted 7/1/2001; Rev. 7/1/2002; Renum. 1/1/2006; Rev. 1/1/2008; Rev. 1/1/2012; Rev. 1/1/2013)

Rule 4.22.14

Alternative Dispute Resolution in Contested Probate Matters

A. Statement of Purpose. Contested estate, trust, conservatorship, guardianships and other matters covered by the Probate Code are uniquely appropriate for Alternative Dispute Resolution in the interests of prompt, efficient and economical dispute resolution. Mediation is the preferred method of alternative dispute resolution in contested matters. The court therefore encourages parties to mediate their dispute.

B. ADR Defined. Generally, Alternative Dispute Resolution ("ADR") is a term covering the full range of techniques designed to resolve disputes short of trial in the courts, including, but not limited to, mediation, binding arbitration, a judicially supervised settlement conference, a two-attorney settlement panel in North County, and neutral evaluation.

These rules apply to all methods of ADR except references and trials by reference pursuant to California Code of Civil Procedure sections 638-645.2.

C. Court-Ordered Alternative Dispute Resolution Absent Objection. At the first practical opportunity in a contested matter, the court may order the matter to mediation unless a party objects.

D. Court Determination Re ADR Upon Objection. At the time of the ADR assignment, a party may orally or in writing object to the need for ADR, the method of ADR selected, the selection of the neutral person or neutral panel, the method of payment of the costs of ADR, and/or the timing of ADR. The court has the discretion to make appropriate orders, which may include ordering the parties to meet and confer, ordering an appropriate method

of ADR, proceeding pursuant to Local Rule 4.22.1 et seq., or deferring ADR until discovery has been completed. If the court orders ADR, it may restrict discovery until the completion of ADR. If all ADR efforts are ultimately unsuccessful, discovery will proceed in accordance with the Civil Discovery Act. The order for ADR may be made by a minute order or by a formal order at the request of any party.

E. Continuance Pending Completion of ADR. Upon ordering ADR, the court may continue the proceeding to a date when ADR will be completed, or may set the matter for hearing or trial, as provided in Local Rule 4.22.5. If initial ADR is unsuccessful, the court may either continue the matter for further ADR efforts or, if the court concludes further efforts at ADR are not warranted, set the matter for such further proceedings the court deems appropriate.

Rule 4.22.15

Parties Select ADR Facilitator

Upon ordering the parties to ADR, the parties and their counsel must jointly select a qualified mediator or ADR facilitator to conduct the ADR. If the parties are unable to select the method of ADR or the neutral ADR facilitator, the court, sua sponte or upon request, will provide guidance to the parties, including advising the parties of ADR programs commonly used in the area. If the parties ultimately cannot agree, the court will make appropriate orders.

Rule 4.22.16

Costs and Fees

It is presumed that the parties will share equally in the costs of ADR. However, absent the agreement of all interested parties with regard to allocation of costs and fees, the court may, in its discretion, allocate the costs and fees of ADR to one or more of the interested parties to the contested matter, charge such costs and fees to the fiduciary (i.e., the executor, conservator, trustee or guardian of the estate) and/or order the fiduciary to advance such costs and fees. Further, if the court determines that any party acted in bad faith or unreasonably in the ADR process, the court may charge ADR costs and fees to such party. Failure of a party to appear at a scheduled ADR hearing without notice to and agreement of the other party(ies) or order of the court may be presumed an act of bad faith. In circumstances where the court finds that continued litigation and the expenditure of funds in support thereof is not in the best interests of the estate or trust, the court may order that the costs and fees of mediation be advanced by the trust or estate, subject to later allocation. For purposes of this rule, the term “costs and fees of ADR” include only those costs and fees directly relating to the ADR service and do not include the attorneys’ fees or other costs of the parties.

ADR Statement Re: Impartiality

Every person who conducts ADR pursuant to these rules must, as soon as practicable, disclose to all parties any facts that might reasonably cause any party to entertain a doubt as to the impartiality of such ADR facilitator.
